Inc 500\5000 Methodology

The 2011 Inc. 500 is ranked according to percentage revenue growth when comparing 2007 to 2010. To qualify, companies must have been founded and generating revenue by March 31, 2007. Additionally, they had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2010. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2007 is \$100,000; the minimum for 2010 is \$2 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in *Inc.*'s September issue. They represent the top tier of the Inc. 5000, which can be found at www.inc.com/500.
